

XXII Ibero-American Summit

Cadiz, Spain

ACCIONA Producciones y Diseño carried out the technical and artistic production of the XXII Ibero-American Summit of Heads of State and Government that meet November 26th and 17th, 2012 in Cadiz under the motto "A renewed relationship in the Bicentennial of the Constitution of Cadiz".

The participation of APD in this high-level diplomatic conference included consultancy and the scenographic production, the decoration and the supply of furnishings for the Convention Center of Cadiz where the principal events of the summit took place. APD also intervened in other venues included in the program giving technical and artistic assistance, such as exterior lighting for the San Felipe Neri Church and the exterior lighting and the production of scenographic elements for staging in the Gran Teatro Falla.

Date:
November 16-17, 2012
