

THEME PARK

Great Adventure Hopi Hari

Sao Paulo, Brazil

Great Adventure Hopi Hari is a Brazilian theme park located in the city of Vinhedo, in the state of Sao Paulo. It occupies an area of 760,000 m² and its theme revolves around a fictitious city with its own inhabitants (hópius and hópias), capital and language, among other things.

ACCIONA Producciones y Diseño themed the façades, urbanization and rocks of the four thematic areas that make up the park: Kaminda Mundi, Infantasia, Mistieri and Wild West.

The work was executed in a period of 9 months with the participation of artisans from Spain and Brazil.
